PROFIL

My enthusiasm for development and learning is infectious

I am genuinely committed to individual development and personal growth. It inspires me to see how participants benefit from feedback as well as coaching and development measures, leave their comfort zone, and surpass themselves. My goal is to help people to develop their potential and become the best leaders they can be.

It gives me great pleasure to get involved in a wide variety of challenges and to really understand what is needed – both at an organizational and an individual level. I combine a high level of openness and pragmatism with structure and a high quality standard to find sustainable and effective solutions.

Customers perceive me to be reliable, action-oriented, and passionate. My motivation: being able to share my enthusiasm for development and learning every day.

My expertise for you

- Design and support of face-to-face and remote Assessment Centers and Development Centers for the selection and skills assessment of managers and talents
- Design and delivery of face-to-face and remote training as well as development projects on topics such as leadership, communication, and change

Special skills

- M. Sc. Psychology (major: Industrial, Organizational, and Business Psychology)
- Professional experience in the areas of personnel diagnostics and personnel development
