

CONSULTANT PROFILE

SINDY SOMMERFELD

"Every plant has its own requirements to be able to grow – as do people."

I am genuinely committed to **further development** and **personal growth**. It inspires me to see how participants benefit from coaching and development measures, leave their comfort zone, and surpass themselves. I am particularly fascinated by the **individuality of personalities** and the development of measures that are adapted to the motives and needs of the individual employee.

It gives me great pleasure to immerse myself in the most diverse business contexts and problems. Using my high degree of **flexibility, structure,** and **openness** as well as my **passionate dedication**, I want to develop sustainable and effective solutions for customers.

Customers perceive me to be **reliable** and **creative** and as having **high quality standards**. My motivation: being able to share my **enthusiasm for development and learning** every day.
